Harry Traiteur Paris Catering has carefully developed a list of gourmet dishes and high quality services in order to enable flight attendants, anxious to meet the slightest expectations of their guest during their trip, to provide with incomparable and tailor-made services.

We are a team of professionals with catering business background, issued from the catering business that are aware of the various problems inherent in business aviation. We are also proud of our prestigious kitchen team whose members have exercised their talents in the most famous restaurants around the world.

Harry Traiteur was created to coordinate all this know-how experience and this provide an exceptional service to passengers traveling aboard their private jet.

Flower arrangements directly from the famous Paris Rungis & Nice flower market, daily world press printed in color, vintage wines, Caucasian, Kosher and Halal products selected from the best suppliers of France, are only a sample of services Harry traiteur can provide with.

Built on the success of events parties since 2004 and with an ever-increasing demand from our clients, Harry Traiteur offers its expertise for private aviation.

DEDICATED FACILITIES

Our facilities are just built to 6 minuts from Paris le Bourget airport & 10 minuts from Nice Côte d'Azur airport, for an immediate reacting to all your urgent requests and always providing professionally and efficiently, all necessary support.

Food safety is ensured with a comprehensive documented HACCP (Hazard Analysis Critical Control Point) system as well as with European legislation.

Temperatures are monitored throughout using infrared thermometers whilst the in-house microbiology laboratory carries out tests on raw food, ready-made products, water, ice, equipment, hand and equipment swabs.

A customized module for core-flight catering operations (Flight Catering Solution) has been developed for Harry Traiteur Paris. This integrates seamless and complementary modules for inventory control of state and catering order processing and invoicing.
